

### Invitation to Launch of Tabor Churches of Christ Study Centre

Tabor College of Higher Education and Churches of Christ in SA and NT are pleased to announce the launch of the Tabor Churches of Christ Study Centre. This centre, which grows out of a fundamental Christian commitment to partnership in the mission of the Kingdom of God, will contribute to the education and faith formation of South Australia's Christian communities, and will facilitate a stronger connection between the work of the denomination and the work of the college.

Rev Mark Riessen, the inaugural director, will share his vision for the centre, and its potential contributions to the life of the church and Tabor Adelaide.
